

PTSA.... Past, Present, and Future

You are cordially invited to attend a milestone event in Hawaii State PTSA history. The 2017 Hawaii State PTSA Convention marks the 90th year of this organization's ongoing efforts towards making every child's potential a reality by engaging and empowering families and communities to advocate for all children.

It is mind blowing to think that the original PTA leaders of 1926-1927 started what has become a legacy of positively impacting the lives of Hawaii's children that continues today through our efforts.

At this year's Hawaii State PTSA Convention, in addition to the learning and networking opportunities usually affiliated with our annual conventions, we will be recognizing our PTA predecessors with a celebration of their history, while laying the foundation for leaders 90 years in the future.

We will be tying together the past, present, and future with a 1920's themed luncheon and the creation of a time capsule from today's 2017 convention attendees to be opened 90 years in the future at the Hawaii State PTSA Convention of 2107.

Be sure to join us for this event and leave you mark on Hawaii PTSA history!
