Greetings PTA Members:

Welcome to your state convention! I hope that you are staying safe and well. Thank you for taking this time to learn and grow as a leader. Your attendance is a testament to your commitment to our PTA mission: *To make every child's potential a reality.*

I am honored to serve as the 57th national president of this incredible association that we love so much. PTA reached our momentous 125th Anniversary on Feb. 17, 2022, and it fills me with pride to say that our mission work is alive and thriving in communities across the nation.

We help every child reach for the stars, we empower our families to fully engage in their child's development, we support our teachers and staff, and most importantly, we raise our One PTA voice to advocate for all of our children's needs to all decision makers.

As Mother Teresa said, "The miracle is not that we do this work, but that we are happy to do it." The coming months will provide new challenges and new opportunities, but I know I can count on all of you to meet them with PTA passion, persistence and servant leadership.

My wish for you at your state convention is to leave this experience with a renewed mindset. Use this moment to recommit yourself to this work. Be open to possibilities. Today is a chance for all of us to rededicate ourselves to the mission and work even harder to make sure that our children are successful in their schools, and that families are engaged like never before.

Please know that National PTA is here to support you every step of the way. I encourage you to explore the available resources, especially the PTA for Your Child membership campaign, at PTA.org/MembershipCampaign. Remember, we want every family in our schools to join PTA, because we can do more together than apart.

We can succeed in ensuring our children become all that they can be. Are you ready to start the work with me? I can't do it alone—so I can't wait to see what we can accomplish together, **as ONE PTA!**

Thank you for all that you do. Have a great convention!

Sincerely,

A handwritten signature in black ink that reads "Anna King". The signature is written in a cursive, flowing style.

Anna King
President, National PTA

Aloha mai to the 95th annual Hawaii State PTSA Convention!

These past several years has proven humanity can persevere. The Hawaii State PTSA Board of Directors and I would like to express our appreciation and mahalo you for being a part to 'Show Your Voice' and volunteering your time to fulfill the PTA's mission to ***make every child's potential a reality by engaging and empowering families and communities to advocate for all children.***

Globally, as we focus towards educating the keiki in an in-person safe and healthy environment, PTAs have continued to represent the teacher, parent, and student voice on Capitol Hill, as well as our local government. Membership plays an important role in expressing this voice. We appreciate the local units who have been creative to promote membership within their schools. Although, you may not tangibly see the membership outcomes like computers, textbooks, etc., we will see the membership outcomes in appropriation of monies towards family engagement centers, creating and passing resolutions for our haumana safety on school campuses, and to voice on various National and State committees, etc. to fund the Hawaii State education system.

This year's convention theme is ***Show Your Voice***. As we venture towards the future, we wish to continue focusing on pilina (building relationships), and collaborating together for our haumana (students), 'ohana (family) and community. Relationships begin in the home, then through schools and communities. These relationships will support the advocacy efforts with kindness and love and execution.

Mahalo for spending your precious 'ohana time with this year's return to in-person convention and for continuously sharing your passion by sharing and showing your voice for the future for nā Hawai'i keiki and 'ohana.

E malama pono,

Patti Rabacal
Hawaii State PTSA President
2021-2023

Keynote Speaker (General Session I)

Keith Hayashi, Superintendent, Hawai'i DOE

Following eight months as Interim Superintendent, in May 2022 the Board of Education voted to hire Keith T. Hayashi to lead Hawai'i's public school system as superintendent for a term beginning July 1, 2022.

Hayashi's 30+ year career with the Department spans the school, complex area and state level. He led Waipahu High School as principal since 2009, a position for which he received numerous awards, including Hawai'i High School Principal of the Year and the collegiate Shirley B. Gordon Award of Distinction. He is credited with pioneering the Early College program in Hawai'i public schools and earned the distinction for Waipahu High as the state's first nationally recognized wall-to-wall academy model school.

Hayashi began his education career at Lehua Elementary as a teacher and went on to serve as a district resource teacher in Leeward O'ahu. He also served as a vice principal and principal at the elementary, middle and high school levels before becoming Pearl City-Waipahu Complex Area Superintendent. At the state level, he served as interim deputy superintendent and as interim superintendent in 2017. Hayashi earned his bachelor's degree in elementary education from the University of Hawai'i at Mānoa. He also holds two Master of Education degrees — in curriculum and instruction, and educational administration — from UH Mānoa.

Keynote Speaker (Luncheon)

Bruce Voss, Chairperson, Hawai'i BOE

Bruce Voss is a partner with the law firm of Lung Rose Voss & Wagnild, specializing in business, real estate, and employment law and litigation. He previously worked as a news reporter for Pacific Business News and KHON2 News. He is a graduate of Kalaheo High School and the Richardson School of Law at the University of Hawai'i. Board Member Voss's current term runs from July 1, 2022 through June 30, 2025.

Keynote Speaker (General Session II)

Stacy Bateman, Board Member, National PTA

Stacy Bateman has been involved in education for over 20 years and was elected to the National PTA Board of Directors in June 2019. As the mom of five, improving the home/school connection is her passion. Bateman has been a teacher, coach, student advocate, space center director, school-wide Dr. Seuss party planner, room mom, event clean-up, committee member PTA elementary and secondary president, council president and a region director over 90 schools.

Bateman spends most of her days working with students to empower them to advocate for themselves and create their own future no matter what their scripted narrative might be. She believes that when a community comes together, it can make magic for all children.

Star Spangled Banner

O say, can you see, by the dawn's early light,
what so proudly we hailed
at the twilight's last gleaming?
Whose broad stripes and bright stars,
through the perilous fight,
over the ramparts we watched,
were so gallantly streaming?
And the rocket's red glare,
the bombs bursting in air,
gave proof thro' the night
that our flag was still there.

O say, does that star-spangled banner yet wave,
o'er the land of the free
and the home of the brave?

Rules of the Hawai'i State PTSA 95th Annual Convention

Admission

1. Badges are required for admittance to all sessions and meals.
2. Delegates are requested to be seated before the opening of each session.
3. When the convention is participating in a counted vote, the doors will be closed and admission will be granted only after the chair has announced the results of the vote.

Addressing the Convention and Voting Procedures

1. Only qualified delegates wearing an official voting delegate badge will be eligible to vote on convention business.
2. Voting members who wish to speak will go to the nearest appropriate microphone and await recognition by the chair BEFORE speaking. When recognized, delegates will give their name and the name of the local unit/region they represent.
3. A voting member may speak for only two minutes at one time on any question under discussion and only twice on the same question. No member will speak for the second time until all delegates seeking recognition have had an opportunity to speak.
4. No business item may be on the floor for more than fifteen minutes (inclusive of all points of order and points of information). Within this time frame, the chair shall recognize delegates both for and against debate in alternating order. In order to add debate time, a delegate must move to extend debate, which requires a second, is amendable, is not debatable, requires a 2/3 rising vote, and must be done BEFORE the initial fifteen (15) minutes is over.
5. All motions must be presented in print on forms obtained from the microphone stations or the secretary prior to coming to the microphone. Forms must be completed, signed and sent to the podium in order to receive consideration.
6. A motion calling for the previous question or for all previous questions may not be made by a delegate who has just spoken. Subsequent motions may not be made and are not in order until the opportunity has been given to at least two delegates to speak for and against the pending question.
7. An alternate may vote in place of a voting delegate upon presentation at convention registration, of a letter signed by the local unit president or secretary or the region director and the registered voting delegate. The voting delegate being replaced must name the alternate as an alternate voting delegate. The alternate delegate will then be issued an official voting delegate badge.
8. Announcements will be made only by the presiding officer or a delegate duly recognized by the presiding officer. The delegate making announcements will do so at Microphone #3.
9. At the discretion of the presiding officer, persons other than official delegates may be given the floor only for discussion but must adhere to Rule #3 above.
10. Voting cards will be used in place of a voice vote.

Nominations and Elections

1. The chair of the Nominating and Leadership Development Committee shall present the qualifications of all candidates, including those nominated from the floor, limited to two minutes for each candidate.
2. All nominees from the floor must state their intent to run and present their qualifications to the president prior to the opening of General Session I.
3. An Election Committee shall be made responsible for (a) conducting a ballot election and (b) keeping records of all ballots cast. (Note: Per Hawaii State PTSA Bylaws, when there is but one candidate for an office, the ballot for that office may be dispensed with and election held by voice vote.)
4. The Election Committee chair shall ensure that ballots, listing all nominees for each office, are prepared for the election. The chair shall also (a) supervise the balloting process, (b) ensure that sufficient meetings of the committee are held prior to opening the polls so that all committee members are informed of the voting procedures.

Rules of the Hawai'i State PTSA 95th Annual Convention

Nominations and Elections (Continued)

5. The committee shall be responsible for (a) verifying credentials of all persons voting, (b) presenting each voting delegate with the official ballot, (c) hearing and determining any challenge or questions arising in connection with the right to vote, (d) counting and tabulating ballots, and (e) assuring that electioneering does not take place within the voting area.
6. A voting delegate shall present his/her official voting badge and obtain a ballot at the polls in order to participate in the voting.
7. There shall be no campaign materials distributed or other electioneering activities permitted within the immediate voting area. The exact boundaries will be determined by the Election Committee and announced to the convention body at the first session.
8. A representative of each candidate shall be allowed to observe the counting of the ballots. The request must be made by the candidate, who must provide the observer's name to the Election Committee chair in writing no later than thirty (30) minutes after the close of General Session I.
9. A majority vote (more than half of the members present and voting) shall be required for election.
10. If a candidate does not receive a majority of the votes cast, re-balloting will take place. If there are more than two candidates for an office and a candidate does not receive a majority vote on the first ballot, re-balloting shall take place between the two candidates receiving the highest number of votes.
11. The report of the Election Committee shall be presented at the business session following the election. The presiding officer shall declare who has been elected.
